Casco Bay Historical Guide

Portland Harbor Water Tours Partner

Get the experience of a lifetime on Maine's historic Casco Bay! Charter tours of the bay's 785 islands and ledges, lighthouses, forts, and marine life. Hike a war-era fort, swim in a cove, picnic on an island, see the first lighthouse built in the United States, or just relax and enjoy the day.

Stephen's book "Casco Bay Lighthouses and Portland Observatory" can be purchased at the Portland Head Light Gift Shop or on any one of his guided tours. Look for his next book "Casco Bay's Defenders and Military Installations/Wars" coming in 2020. Stephen is also available for speaking engagements about Casco Bay upon request.
