

MERCEDES BENZ SPECIALISTS

Elite Motors, Inc. is an automobile service shop located in Scarborough with over 65 years of collective experience specializing in Mercedes-Benz vehicles. Elite Motors' ASE Certified technicians have been providing foreign and domestic auto repair since 2003. Elite Motors has state-of-the-art diagnostic and shop equipment, including the Hunter alignment and road force balancing system. Services include engine and transmission repair, heating, cooling, maintenance services, tires, brakes, exhaust and performance upgrades. They are a certified Maine State Inspection Station. Elite Motors owner, David Reynolds, was previously the shop foreman for a local dealership. Each technician participates in frequent training to ensure their work is the best you can get.
